### **SWOC Analysis of the Institution**

#### **Institutional Strength:**

- The Institute has Qualified and Experienced faculty
- Good Teaching and Learning process
- Effective execution in rural setup
- The Institute periodically conducts Conferences, Workshops, and Faculty development programmes
- Well-designed employability skills assessment and Training programmes by in house training division “Technical Hub”
- Social extension activities like blood donation camps, educating rural students and organising health camps by NSS

### **Institutional weakness:**

- External funding needs to be attracted
- Proactive efforts for industry-oriented consultancy needed

### **Institutional opportunity:**

- Existing infrastructure can be leveraged to set the Institution towards global recognition
- Advancement in emerging technologies like Artificial intelligence, IOT, robotics and 3D printing provides scope for more employment
- Provincial industrialization and government initiatives like Make in India, Startup India provides scope for entrepreneurship

### **Institutional challenge:**

- State regulated tuition fee and admission
- Low reading habits and spirit of enquiry among the students

### **Institutional Strategic Goals:**

- Academic Excellence
- Employability & Skill Development
- Infrastructure Development
- Research & Innovation, Consultancy
- Digital Transformation
- Internationalization
